Hi Tasya. Can you give me an update on when you and I might be able to talk?  
Thanks,

Hi Janette,  
I do have a meeting with them next week, so I will check in after that to set up a virtual meeting.  
Have a good long weekend in the meantime.  
Thank you,  
Tasya

Tasya,  
Thank you for the notification about going onsite to finish the monitoring. It's a bit awkward that the transition to DOF was in the middle of an event.  
And thanks for the update about you meeting with CP first. Do you already have something set up with them?

Hi Janette,  
We will be onsite next week to finish up the June monitoring that Wood did part of earlier this month to make sure we get a June set of water levels at Container Properties. I still hope to set up a time to speak to you further about the project in the near future but the owner wants to meet with me internally first and catch me up on the more recent work, hopefully helps streamline everything.  
I will be in touch soon.  
Thanks,  
Tasya
